

This is a social security action seeking review of a final decision of the Commissioner of Social Security under 42 U.S.C. § 1383(c)(3). The Commissioner found that plaintiff was not disabled on and after June 1, 2010. (docket # 7-2). Plaintiff's initial brief in this matter was due on October 20, 2014. Plaintiff never filed her brief and it is now more than a month past due. On November 5, 2014, the court issued an order directing plaintiff to show cause by November 18, 2014, as to why this case should not be dismissed for failure to prosecute and warned her that failure to file a timely response would result in dismissal of this lawsuit. (11/5/14 Order, Docket # 11). Plaintiff has failed to respond to the order to show cause.

Recommended Disposition

For the reasons set forth herein, I recommend that this lawsuit be dismissed for failure to prosecute.

Dated: November 25, 2014
